PREFACE

NIT Warangal being one of the premier educational institutions in the country rightly boasts about having an eminent talent pool across engineering, sciences and management programs. Centre for Career Planning and Development (CCPD) is the access point that connects talent from the college with our partner companies enabling both parties to achieve their aspirations in the best way possible.

Firms from different sectors and geographies participated in the recruitment process at NIT Warangal for the academic year 2024-25 offering a whole wide variety of placement as well as internship opportunities across roles like software development, core engineering, analytics and others to our students.

AY 2024-25 witnessed the best placement season in the history of NIT Warangal crossing more than 1100 FTE offers across all the programs. The highest package grabbed was 64.3 LPA. The campus witnessed a return of the majority of past partner companies along with several new entries visiting for the first time.

Like every year, team CCPD assisted the students and companies to participate in the campus drive leading to a smooth and transparent hiring process. Over the years, CCPD's contribution at NITW is a testament to the companies' unbroken faith and the institution's trust in achieving common goals.

Even in times of recession and uncertainty, NIT Warangal saw a massive bump in hiring frequency for the AY 2024-25. Students have shown resilience and determination that have led to them receiving exceptional offers in the domains of their choice. This report aims to be a testament to the placements at NIT Warangal for the academic year 2024-25.

INTRODUCTION

National Institute of Technology, Warangal (NITW) formerly known as Regional Engineering College (REC) is a deemed university located in Warangal, India. It was established in 1959 and inaugurated by the first Prime Minister of India Pt. Jawaharlal Nehru. It became the first REC to get converted into the National Institute of Technology (NIT) among the chain of 31 current NITs in the country. NITW has been consistently ranked among the top 5 NITs and currently holds a NIRE ranking of 21 among all Indian Engineering universities maintaining the legacy of being in the top 20 engineering campuses in India in the past.

NITW holds a distinguished reputation with 13 academic departments, advanced research centers in various fields of engineering, pure sciences, and management, a plethora of laboratories, exceptional faculty, brilliant students, efficient administration. The institute offers a wide array of undergraduate and postgraduate programs in engineering, sciences, and management, along with research programs in engineering, sciences, humanities, physical education, and management. Among its notable assets is the Centre for Career Planning and Development (CCPD), which serves as a valuable resource for students and a dependable ally for leading companies seeking to recruit the best talent from the institute.

NITW, known for its consistent ranking among the top NITs in India, boasts a sprawling self-contained residential campus spread over 248 acres. It comprises 16 residential blocks, including separate hostels for boys, girls, and foreign students, along with five messes for boys, one for girls, and a mega mess. The campus is equipped with state-of-the-art infrastructure, including a central library, auditorium, student activity center, mega computer center, indoor games complex, a large stadium, seminar halls, and a well-equipped dispensary.

ABOUT CCPD

One of the leading strengths of NITW is the Centre for Career Planning and Development (CCPD), earlier known as Training and Placement Section, which plays an important role in shaping the future of the students by providing them with the best career opportunities. The CCPD at NITW is a dedicated team of students and faculty coordinators who work tirelessly in coordination with the academic sections, alumni and industry partners to create a seamless transition from academic learning to professional excellence so that every student is prepared for and given the finest job opportunities.

The Center for Career Planning and Development (CCPD) at our institution is committed to providing students with the necessary skills and knowledge to succeed in the competitive job market. Primary objectives of CCPD include being an intermediary between industry and students and getting opportunities for them, training students with domain-specific industry skills, running training programs to make students job-ready, and collaborating with academic departments to increase job awareness. By focusing on these objectives, CCPD aims to equip students with the necessary tools and knowledge to succeed in their careers, contribute positively to the workforce and thrive in the bustling job market.

Over the years, CCPD at NITW has proven itself as a boon to the students who are looking forward to joining the industry workforce after their graduation. Placements at NITW have seen tremendous rise in terms of both quality and quantity. Companies of all natures have consistently shown faith in the conduct and quality of the graduates. A big chunk of this success comes from the alumni who have exceeded expectations in every sector as NITW graduates but also from the team at CCPD who works tirelessly to honor the commitment and relationship with the partner companies.

MESSAGE FROM THE DIRECTOR

Prof Bidyadhar Subudhi

DIRECTOR, NITW

NIT Warangal has solidified its position as a premier institution in India, renowned for its significant contributions to research and academics. We aim to ascend as a globally acclaimed centre of excellence, fostering an innovative engineering community adept at addressing global challenges. The institute's success is underscored by the exceptional employability of its graduates, consistently setting benchmarks in academic excellence and placements.

I commend the CCPD team for their unwavering dedication, culminating in a successful placement season. Despite the post-pandemic challenges, the Class of 2025 has achieved remarkable milestones, including impressive placement rates, enhanced salary packages, and securing diverse job profiles. I express heartfelt gratitude to our esteemed alumni whose achievements embody the institute's core values.

NIT Warangal stands resilient amidst job freezes and economic downturns seen elsewhere, ensuring continued opportunities for its students. Congratulations to the students on their achievements, and best wishes for their future endeavours. I am confident that our dynamic student body will further elevate the global reputation and stature of NIT Warangal.

MESSAGE FROM THE HEAD, CCPD

Prof. P Hari Krishna

HEAD CCPD,NITW

Celebrated for its academic excellence and pioneering research, NIT Warangal is a beacon of knowledge and inspiration in our nation's educational landscape. Our team at CCPD is dedicated to jumpstarting our students' careers as they graduate by equipping them with contemporary skills to thrive in today's competitive world. Our diverse student community has excelled in various roles, including software development, core engineering, product analysis, management, research, and more. Despite a general decline in placements elsewhere, the 2024-25 placement season at NIT Warangal has been exceptionally successful for our students and recruiters.

We welcomed over 250 companies, which offered full-time roles to nearly 1120 students and internships to over 400 students across various sectors and programs. The job freeze that affected many companies did not hinder their recruitment from NIT Warangal, showcasing the strong industry recognition of our talent and the high value placed on our graduates. This fruitful season highlights our dedication to student success and our robust industry partnerships.

I wish to express my deepest gratitude to the esteemed Director, Deans, Registrar, and all the departments for their unwavering support and cooperation throughout the placement season. Their dedication has been integral to our success. Over the years, our institute has fostered strong relationships with industries nationwide, resulting in an impressive placement record both in terms of the percentage of registered students placed and the number of companies visiting our campus.

EXECUTIVE SUMMARY

Overall Placement Achievements

The placement drive of AY 2024-25 achieved an impressive 81.4% success rate across all programs.

UG: 86.48% **PG: 75.81 %**

This consistent performance reflects the strong academic and industry alignment of NITW.

Increase in Recruiting Companies

A record-breaking 446 companies visited the campus, reflecting a substantial rise in recruiter participation compared to previous years. The surge demonstrates the growing reputation of NITW as a preferred hiring destination.

Highest CTC And Top Recruiters

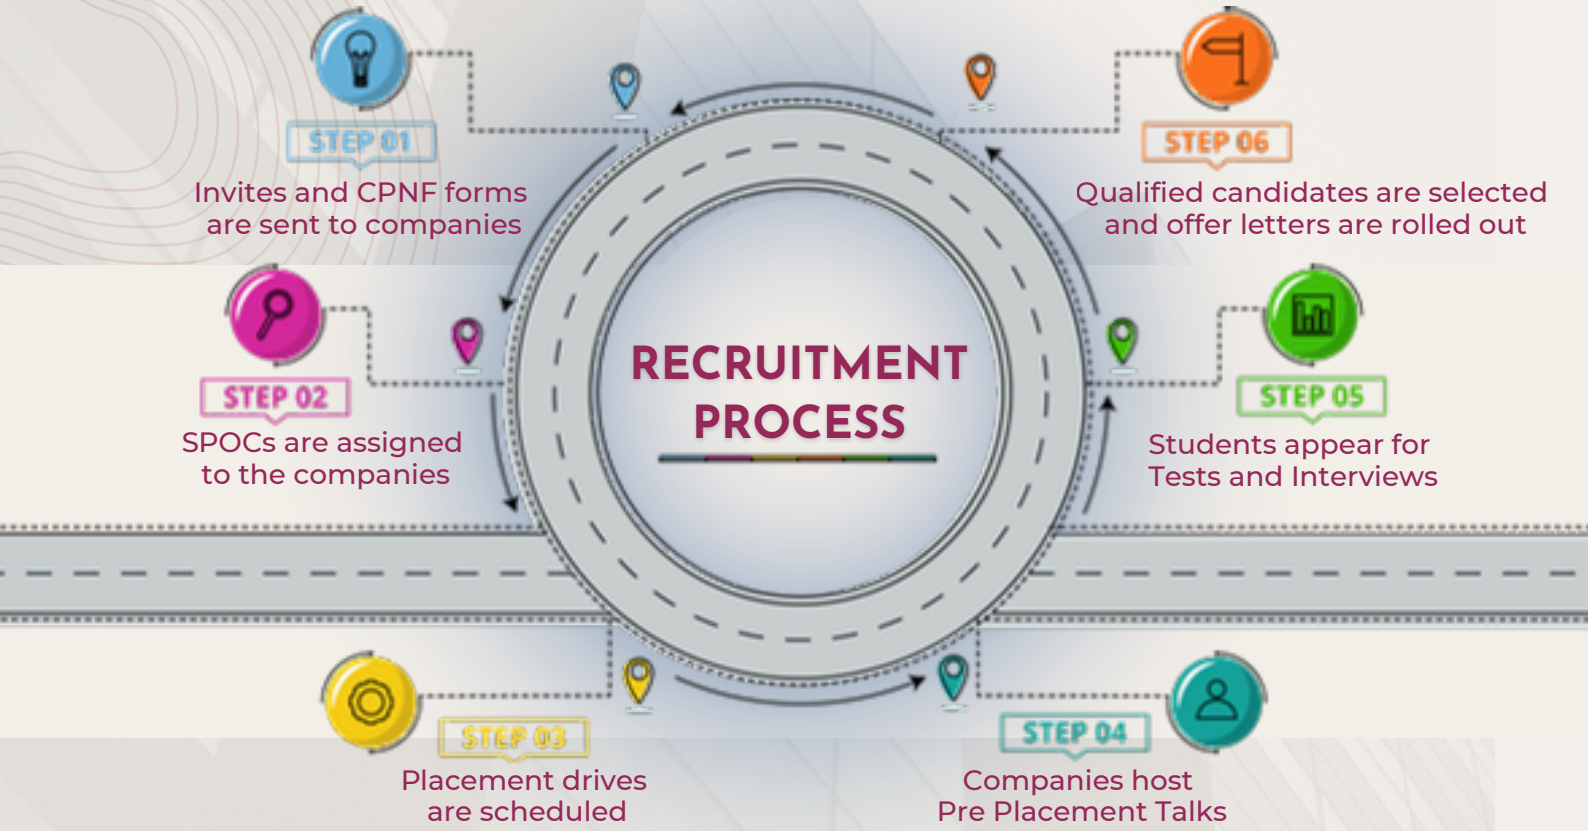
The highest package of 64.3 LPA was offered by Deshaw, showcasing the caliber of opportunities available to top-performing students and Among all companies, Qualcomm emerged as the single largest recruiter, hiring 28 students, reaffirming its strong hiring presence at NITW.

In-Demand Careers for Graduates

The placement trends revealed high demand in the following career domains:

1. **Information Technology (Software Engineering, Product Engineering, Core & IT roles)**
2. **Data-Oriented Roles (Data Analysis, Data Science, Business Analysis)**
3. **Core Engineering & R&D**
4. **Management & Consultancy**
5. **Teaching and Faculty roles**

RECRUITMENT PROCESS



JOB DESCRIPTION

DATA ANALYST

Data Analyst collects, processes, and interprets complex datasets to provide actionable insights that support business decisions. Their day-to-day responsibilities include working with databases, Excel models, and unstructured sources, employing tools like Python, R, SQL, and visualization software (e.g., Power BI, Tableau). They translate raw data into strategic inputs and collaborate closely with stakeholders.

Required Skills:

- Proficiency in Python, SQL, and Excel
- Basic statistics and data visualization
- Tools: Tableau, Power BI, Excel, Python libraries (Pandas, Matplotlib)

Goldman Sachs, Wells Fargo, and Oracle are top recruiter for analysts role.

SOFTWARE DEVELOPER

Software Developers design, build, and maintain applications or systems using languages like Java, Python, C++, or JavaScript. They work across the development lifecycle—coding, debugging, and deploying software—and collaborate with designers, QA teams, and product managers to deliver high-quality products.

Required Skills:

- Strong programming fundamentals
- DSA (Data Structures & Algorithms)
- Familiarity with frameworks (Spring, React, Django) and Git

Top Recruiters in AY 2024–25:

- Google, Oracle, Qualcomm (24 offers), and MAQ Software
- Amdocs (8 offers), Synopsys, and Deutsche Bank also recruited actively from core software roles.

JOB DESCRIPTION

CONSULTANT

Consultants help organizations solve complex problems and optimize processes through expert analysis and strategic recommendations. The role blends analytics, communication, and industry knowledge to guide business transformation and innovation.
Required Skills:

- Analytical and logical reasoning
- Communication & stakeholder management
- Presentation tools (PowerPoint, Excel), knowledge of business frameworks (SWOT, Porter's Five Forces)

Top Recruiters in AY 2024–25:

- IDFC First Bank (business consulting roles)
- Goldman Sachs, Wells Fargo, and tech-led consulting firms
- Strategy-based profiles were also offered by Tudip Technologies and NPCI

PRODUCT ANALYST

Product Analysts focus on enhancing product performance and user experience. They gather market and user data, define feature requirements, work with tech and design teams, and assist in roadmap planning using tools like JIRA and analytics platforms.
Required Skills:

- Market research & user behaviour analysis
- Knowledge of product lifecycle and agile methodologies
- Tools: Mixpanel, JIRA, SQL, Google Analytics

Top Recruiters in AY 2024–25:

- Mastercard and Oracle recruited for product-oriented profiles
- Tech-driven firms like Flipkart, Paytm, and Zinnia showed preference for data-savvy graduates from core branches

BRIDGING TALENT WITH OPPORTUNITY:
CCPD'S COMMITMENT TO STUDENT EXCELLENCE

The job market is a dynamic and ever-evolving landscape, with industry demands shifting rapidly in response to technological advancements, global trends, and business innovations. Recruiters today seek not only academic excellence but also a well-rounded skill set—one that includes technical expertise, problem-solving capabilities, and soft skills. At NIT Warangal, the *Centre for Career Planning and Development (CCPD)* acts as the pivotal link between students and the corporate world, ensuring our graduates are equipped to meet these evolving expectations with confidence and competence.

As the landscape of employment continues to transform, *CCPD* has consistently risen to the occasion, staying ahead of the curve to support and guide students in becoming future-ready professionals. One of the key pillars of this commitment has been the *Skill Development Training Initiative*, a student-led and CCPD-facilitated program that provides comprehensive, hands-on training in high-demand domains.

Each year, student volunteers—who are themselves recipients of this guidance and growth—partner with CCPD to *design and deliver well-structured courses* aimed at enhancing both domain knowledge and professional aptitude. These sessions are meticulously crafted to cater to a range of experience levels, starting from foundational concepts and gradually delving into advanced intricacies. This progressive learning model allows students from diverse academic backgrounds to engage, learn, and master the subjects in a way that aligns with current industry standards.

The training curriculum doesn't just stop at technical proficiency; it also focuses on holistic development. Through carefully curated lectures, workshops, and peer-to-peer mentorship, students gain exposure to *soft skills, communication, teamwork, and professional ethics—traits* that are indispensable in any workplace.

These programs have seen *immense success in bridging the gap between academic learning and real-world application*, helping students gain a competitive edge in placement interviews, internships, and professional roles.

List of Courses offered by CCPD in AY 2024-25

- Data Structure and Algorithms
- Django Full Stack Development
- Full Stack Data Science
- Database Management Systems
- Basic Python and Machine Learning
- Full Stack Development in Python

PROGRAMS BY CCPD

Resume-building workshop

The resume serves as a testament to a candidate's current skill set and academic achievements. In partnership with the Humanities department, CCPD organized a resume-building workshop specifically tailored for the students appearing in placement drives.

Communication skills-building workshop

In the academic year 2022-23, soft skills were recognized as a significant non-technical skill while evaluating candidates. To address this need, CCPD took the initiative and conducted multiple communication and speaking workshops for students enrolled in various programs.

Industrial Visit

CCPD works closely with all academic departments to ensure that students receive crucial exposure to emerging trends in industrial skills. This is accomplished through the sponsorship of annual industrial visits, which offer students valuable insights and practical knowledge in the industries of their domain.

Interaction with the Training and Placement Coordinator

In order to understand the recruitment process, CCPD facilitates interactive sessions with the Training and Placement associates. Student coordinators from every department share insights on the intricacies of the recruitment process and provide valuable guidance on interview preparation.

BIOTECHNOLOGY

B.Tech

ABOUT THE DEPARTMENT:

The Department of Biotechnology at the National Institute of Technology, Warangal was started in 2007. The magnificent journey of 15 years has always been striving to apply the knowledge of Biological Sciences to create novel technologies, that would vanquish the persistent Environmental, Industrial, Agricultural, and Health problems of the society. The Department offers B. Tech., M. Tech. and Ph.D. programs. The pupils, aided by the brilliant faculties, have been extensively exploring several genres of Life Sciences. The well rounded programs give the students, an opportunity to escape the boundaries of mere classrooms, and engage in meaningful conversation with the scientific community, across the world, through our several in house FDPs, Conferences, held every semester.

CHEMICAL ENGINEERING

B.Tech.

ABOUT THE DEPARTMENT

The department of Chemical Engineering offers B.Tech., M.Tech. and Ph.D programs. The department was started in the year 1964 and since then it has come a long way in educating budding chemical engineers and scholars .Students are admitted to these programs based on National level competitive examinations. Foreign national students are also given admission to these programs. The department has well qualified faculty dedicated to teaching and doing research in fundamental and advanced areas. The department houses various laboratories catering to the needs of the curriculum. The faculty are actively engaged in industrial consultancy and sponsored research projects. The department has inked MoUs with some of the leading industries. The graduating students are absorbed into reputed firms through campus placements. The department aims at inculcating lifelong learning skills in the students. The alumni of the department are shouldering high positions in multifarious organizations.

CIVIL ENGINEERING

B.Tech.

ABOUT THE DEPARTMENT

The department of Civil Engineering at National Institute of Technology, Warangal is one of the first departments that was established concurrently with the founding of the institute in 1959. It is one of the oldest and most prestigious departments of the institute providing the finest undergraduate, post graduate and doctoral programs in the field of civil engineering. The department includes the team of highly qualified and dedicated faculty members who share a common aim to provide high quality education and training to students in civil engineering, equipping them with the necessary skills and knowledge to excel in their career. The department has strong focus on research and innovation, and has been proven successful in creating highly skilled and competent civil engineers who have made significant contributions in their respective area of expertise.

COMPUTER SCIENCE ENGINEERING

B.Tech.

ABOUT THE DEPARTMENT

The Department of Computer Science & Engineering was established in the year 1991. The department offers high quality undergraduate, postgraduate and doctoral programs. The B. Tech (Computer Science and Engineering) program was started in the year 1983. M. Tech (Computer Science and Engineering) program was started in 1987. M. Tech (Information Security) was introduced in the year 2008 Under ISEAP sanctioned by Ministry of Communication and Information Technology (MCIT), DOE, GOI, New Delhi with intake of 20. Later, it was renamed as Computer Science and Information Security. The Master of Computer Applications (MCA) program was started in 1986. B.Tech, M.Tech (CSE) and M.Tech (CSIS) programs were accredited in 2014 by NBA as per Washington Accord. The department has distinguished and committed faculty members with PhD from reputed institutes.

COMPUTER SCIENCE ENGINEERING

MCA

ABOUT THE DEPARTMENT

Master of Computer Applications(MCA) program is offered by the Computer Science and Engineering Department at NIT Warangal. MCA is the most seeked-for postgraduate course by graduates from BCA, BSc and other mathematical backgrounds. MCA is also deemed as a domain changing course because graduates from Non-IT engineering & science backgrounds can pursue MCA to transition career fields into IT. Students of MCA at NITW go through a same evaluation pattern as B.Tech. and M.Tech. CSE programs. It is a 3 year professional course focused towards developing relevant industry oriented skills that enhances ability to thrive in the corporate IT sector. MCA program has a detailed curriculum teaching core Computer Science and Research. MCA opens prospects in the IT market as well as lays strong foundation for a career in research

ELECTRICAL ENGINEERING

B.Tech.

ABOUT THE DEPARTMENT

The Department of Electrical Engineering is one of the oldest departments of the NIT Warangal. Established as one of the major departments of the Institute, since its inception in 1959, the Department of Electrical Engineering has been actively engaged in teaching and research in diverse fields of Electrical Engineering. With excellent faculty, the Department of Electrical Engineering offers Under Graduate (B.Tech) and Post Graduate (M.Tech) in Power Electronics & Drives and Power Systems and research (Ph.D) programs. The department actively involves in various consultancy projects for private and government Industries including CPRI and DRDO. The success and the achievement of electrical engineering department can be gauged by the success and reputation enjoyed by its alumni. Students of Electrical Department enjoy placement offers from Core, IT, Business, Private and Public Sector Companies.

ELECTRONICS AND COMMUNICATIONS ENGINEERING

B.Tech.

ABOUT THE DEPARTMENT

The Department of Electronics and Communication Engineering has been one of the critical departments of the institute since its inception in the year 1971. With excellent laboratory facilities and dedicated faculty, the department of ECE offers a broad range of programs that include undergraduate(B.Tech) and post-graduate (M.Tech) in Electronics Instrumentation, VLSI System Design, Communication Systems, and research (Ph.D.) programs. The graduating students are well-placed in leading academic institutes, research organizations, and industries.

MECHANICAL ENGINEERING

B.Tech.

ABOUT THE DEPARTMENT

The Department of Mechanical Engineering was established in the year 1959. The department presently offers one Under Graduate Programme, i.e., B.Tech in Mechanical Engineering, seven M.Tech programs – one P.G Diploma in Additive Manufacturing and Ph.D. programs. The Department has good research facilities for both experimental as well as simulation-based research. The department has liaisons with reputed industries and R&D organizations such as NFTDC, DMRL, DRDL, ARCI, BHEL, CMTI, CPRI, etc. All the faculty of the department are actively engaged in R&D and Consultancy. The department produces a large number of publications and offers solutions to the industry regularly and is also active with regular outreach activities like workshops, conferences, and executive programs for industry personnel. The department has been recognized as QIP Centre for M.Tech and Ph. D. programs.

METALLURGICAL AND MATERIALS ENGINEERING

B.Tech.

ABOUT THE DEPARTMENT

The Department of Metallurgical and Materials Engineering was established in the year 1965 and offers Undergraduate, Postgraduate and Doctoral Programs. The Department visions to attain global recognition in research and training to meet challenging needs of Metallurgical and Materials Engineering with ethical and moral responsibility towards society. The laboratories of the Department are well furnished with the state-of-the-art equipments

M.Sc.

ABOUT THE DEPARTMENT

The Department of Mathematics was established in 1959 and has always shared the institute's vision of striving for excellence in teaching and research activities. Over the years, the Department has evolved to provide excellent teaching and research in Applied Mathematical Sciences.The students are trained in computer programming languages like C, C++, Java, FORTRAN, and mathematical software like MATLAB, Mathematica, etc.The frontier areas of research. AICTE recognizes Department as the only QIP centre for PhD programmes among all NITS

PHYSICS

M.Sc.

ABOUT THE DEPARTMENT

The department started a three year M.Sc. (Tech) programme in 1970 in Engineering Physics with five specializations namely Applied and Modern optics, Transistor circuit analysis and Design, Microwaves, Material sciences and Ionosphere science, with a clause, that at a given time only two specializations to be offered . Presently department offers a three year M.Sc. (Tech) programme in Engineering Physics with specializations Electronics, Photonics, and Instrumentation. It is proud to say that the M.Sc. (Tech) Engineering Physics-Industry Oriented Course is well received by the industry and R&D establishments.Department of Physics is well known for its research and development activities. Every year, the faculty of the department are awarded with different projects from various funding agencies like DST, BRNS, DAE etc

CHEMISTRY

M.Sc.

ABOUT THE DEPARTMENT

The department of chemistry was established in the Year, 1959, as an integral part of the Regional Engineering College Warangal (RECW). Since its inception, the department is greeted as one of the most academically active departments in the Institute. The department housed 18 highly reputed faculty members, 60 research scholars and 101 M.Sc. students. Department offers chemistry course to all engineering branches and two years M.Sc. The department has been conducting cutting-edge research in contemporary topics of Organic, Inorganic, Physical and Analytical Chemistry. In the department, various state-of-the-art facilities such as 400 MHz NMR, HRMS, gas chromatography, HPLC, FTIR, UV-vis-NIR, fluorescence, electrochemical workstation, computational chemistry software, etc. are available.

MBA

ABOUT THE DEPARTMENT

The Master of Business Administration department, known as School of Management offers Masters, doctoral programs and research, training, consultancy and outreach activities on various specializations as Marketing, Finance, Human Resource, Operations and Information Technology. Started in the year 2000, it has produced quality-oriented post graduates that are successfully contributing in the business world. It is a 2-year course with dual specializations and detailed syllabus oriented towards management skills and theories. Students with B- Tech background go through National level management entrance as CAT and MAT exam to get in to this programme. The course offers Quarter system with 8- quarters that helps in continuous improvement and growing of extra academical sides through various club activities based on trending Business industries. High engagement of Faculties with the students have helped the students getting in reputed big firms
