One-Week (Residential) Short Term Training Program on

Emerging Trends and Multidisciplinary Approaches in Physical Education and Sports Sciences

17 - 22 August 2026

Program Overview:

The Short Term Training Programme focuses on the theme, "Emerging Trends and Multidisciplinary Approaches in Physical Education and Sports Sciences," highlighting contemporary developments and innovative practices in the field. It aims to provide a comprehensive platform for academicians, researchers, coaches, and physical education professionals to explore diverse dimensions including health and wellness, scientific fitness training, yoga and mind-body practices, sports psychology, exercise physiology, sports nutrition, AI and technology applications in sports sciences, research methodology, leadership, and community sports development. The programme encourages interdisciplinary learning and discussions to promote holistic growth, professional excellence, and sustainable sports and physical education practices

About MMTTC of NIT Warangal:

The Malaviya Mission Teacher Training Centre (MMTTC) was established at NIT Warangal in the year 2016 under the scheme *"Malaviya Mission on Teacher Training Program (MMTTP)"* sponsored by the University Grants Commission (UGC), Ministry of Education, Government of India. Since its inception, the Centre has successfully organized various programmes such as *NEP Orientation programs, Short-term programs, Refresher Courses, FDP programmes* and one-month duration *Faculty Induction Programme (FIP)* for Higher Education Faculty in various theme areas of Science and Technology, Humanities and Social Sciences from which more than 10,000 participants have benefitted. Other activities of the MMTTC include offering online courses on curriculum design, carrying out research in educational technology and pedagogy and integrating ICT into the Teaching-Learning process. The MMTTC NIT Warangal has been conducting various programs, online and offline following MMTTP Guidelines and UGC Regulations.

About CSA of NIT Warangal:

The Centre for Sports Activities (CSA) at the National Institute of Technology Warangal promotes physical fitness, sportsmanship, and holistic student development through excellent indoor and outdoor sports facilities. The centre regularly organizes inter-hostel, inter-college, and national-level tournaments, coaching camps, and major sporting events. Students have achieved remarkable success in All India Inter-NIT and other national competitions. The faculty and staff are highly qualified professionals, active researchers, and accomplished sportspersons who contribute significantly to the fields of Physical Education and Sports Sciences through research, publications, seminars, and conferences.
