Aligned with the **National Education Policy (NEP) 2020's vision** of inclusive, equitable, and excellence-driven higher education, and inspired by the **International Women's Day 2026 theme — "Give to Gain"**, this initiative celebrates the power of support, collaboration, and shared opportunities as catalysts for gender equality and institutional transformation. **International Women's Day**

Empowering Women in Higher Education is a focused six-day training program designed to strengthen leadership skills, amplify research engagement, and expand institutional participation for women academicians and researchers. By fostering mentorship, confidence, professional networks, and strategic understanding, the program equips women to step confidently into leadership, governance, and decision-making roles. This effort reflects NEP 2020's commitment to gender equity and capacity building, inspiring participants to give their voice, knowledge, and leadership — so that together we all gain a more inclusive and thriving academic ecosystem.
